# FLYING THE FLAG for British, boutique cruising

**T**he decision to build a new cruise ship was one of the biggest in Saga's history, and the team have been working behind the scenes since 2014. And now, with Spirit of Discovery complete and sailing on her inaugural season we've entered a new era of cruising. Not just for Saga, but for the British cruise industry as a whole.

The ship began with a passion to do something entirely different. To use everything we've learned from decades in the cruising business, but in a fresh new way. A need to create, for the first time, a ship exclusively designed for our members. So what can you expect?

With clean lines and an elegant silhouette, Spirit of Discovery looks every inch like a 'real' ship, and will be unmistakable in every port. But holding no more than 999 guests, she upholds Saga's commitment to 'smaller is better'. This is no mega-liner. Instead, she's beautifully boutique and refined. A ship to bring Saga's smaller-ship concept into the contemporary age.

A real standout is Spirit of Discovery's all-balcony line up of cabins and suites. Every cabin has a balcony, as standard. It means all guests can enjoy their own outside space when cruising. But that really is just the start of the luxury this ship holds once you've stepped on board.

The Verandah

“Spirit of Discovery is a major milestone for Saga Cruises and for the future of Saga. The ship has been meticulously designed for our customers, and to epitomise our unique British boutique cruising concept.”

**Nigel Blanks, Chief Operating Officer**

# YOUR LIFE on the ocean wave

**S**pirit of Discovery features the design cues, facilities and levels of service you expect in the world's finest boutique hotels, but on the ocean. There's an array of venues for entertainment and socialising, offering multiple options to play, indulge and discover.

## THE LIVING ROOM

You'll board Spirit of Discovery into a grand atrium area, next to The Living Room. The very heart of the ship, it offers easy access to all decks and all the facilities. The perfect meeting point, it's also a coffeeshop and bar, open day and night.

## SOUTH CAPE BAR

With the style and ambience to match anything found in London, the main bar offers our full selection of wines, draught beers, and a curated collection of fine whiskies and craft gins. It's just one of the ship's bars, which also includes The Club bar, and outdoor terrace overlooking the aft of the ship.

## THE LIDO

The pool and outdoor area is designed with an art deco flair. It's perfect for swimming, relaxing in the sunshine, and enjoying complimentary waiter-served food and drinks. What better way to spend a day at sea?

## THE SPA

The Spa is the perfect setting for a hydrotherapy pool, infrared sauna and steam room. From hot stone massage to facials, and manicures to hairdressing, it's a little bit of heaven. Wherever you are in the world.

## THE PLAYHOUSE

Spirit of Discovery has another exciting first: our very own theatre. Raked seating for 444 guests means the best seat in the house is yours, wherever you sit to enjoy the line-up of colourful shows and musical entertainment. The Playhouse beautifully complements the ship's classic Britannia Lounge, an alternative day-to-night space for activities and entertainment.

## MORE TO ENJOY

It doesn't end there. Spirit of Discovery also boasts a coffeeshop library, craft and card rooms, high-tech fitness centre, sports court, golf simulator, outdoor terrace, promenade, art gallery, and much more.

Coast to Coast

# A NEW WORLD of dining at sea

**S**pirit of Discovery brings to life our largest-ever selection of restaurants at sea. All are completely free to dine, even the speciality restaurants, while a choice of hand-picked wines is also included at lunch and dinner.

## THE GRAND DINING ROOM

The ship's main restaurant brings you the very finest in British and International cuisine at breakfast, lunch and dinner. Open seating is the standard, as is exemplary service. Expect an ever-changing menu of sumptuous dishes, cooked by our team of chefs to the highest standard.

## THE CLUB BY JOOLS

Spirit of Discovery's largest speciality restaurant is a first for Saga, created with music legend Jools Holland OBE. Based on a 50s cabaret club, this elegant steakhouse is the place to enjoy dinner, followed by live music and cocktails, with resident and guest musicians entertaining until late. All at no extra charge.

## THE GRILL & VERANDAH

Light and bright, The Grill offers a more casual and relaxed culinary experience from morning until night. Serving the same dinner menu as The Grand Dining Room on formal evenings, it's a superb alternative venue, offering further dining choices. This restaurant extends to a spacious outside verandah, for fine dining with stunning ocean views.

## EAST TO WEST

Continuing the loyal following garnered on our ship Saga Sapphire, East to West is reborn on our new ship. Impeccably presented, it brings to the dinner table the full diversity and vibrancy of Asian and Eastern cuisine, from classic favourites to those with a contemporary twist.

## COAST TO COAST

This evenings-only seafood restaurant is designed to showcase modern seafood cuisine: the very best of British and locally-sourced fish, depending on what's fresh in the destination you're visiting.

# ALL BALCONY

## all stylish, all luxury

**T**he cabins and suites are the crowning feature of Spirit of Discovery. Each one has a balcony as standard, so you can relax outside, enjoying the fresh air and views of every new destination. And all are designed in classic, contemporary and beautifully boutique style.

### YOUR BOUTIQUE BEDROOM AT SEA

Taking their design cues from some of London's top hotels, Spirit of Discovery offers some of the finest cabins afloat. At an average of 215 square feet, even the standard cabins are incredibly spacious, with a private balcony for every guest.

### SINGLE CABINS

Spirit of Discovery heralds another industry first: 109 single cabins, all with a balcony. No other cruise ship caters for solo guests with such a large selection of single accommodation, available in a choice of grades. 85% the size of a standard twin or double cabin, they're still generously spacious, and ensure solo guests can enjoy the same luxury throughout their cruise.

### HOME SUITE HOME

For pure indulgence, you can't beat your own Suite accommodation. Not only will you enjoy more personal space thanks to your own living area, there's also a bigger private balcony to enjoy the views. Of course it's not just the accommodation: cruising in a Suite also offers an expansive range of benefits, including a butler service, in-cabin dining options and a wealth of extras.

### SIGNATURE SPACES

The highest-grade accommodation on Spirit of Discovery are the top 'Forward' Suites. Each one has been individually designed to be the epitome of true elegance at sea, with a strong British influence. Grand and opulent, they are named the Sidney De Haan Suite, Joseph Meyer Suite, Rose Suite and Ruby Suite.

### AT YOUR SERVICE 24/7

Whichever cabin you choose, you can always relax with free room service, available around the clock. Indulge in drinks on your balcony, dine in the comfort of your cabin, or enjoy a late-night snack, at no extra charge.

Savings are per person, off the current fare at time of booking, and are applicable to new bookings only. Offer cannot be combined with any other offer, and are for a limited time only. Please call for more details.

## Sold out cruises and advance registrations

If you are interested in a cruise that has sold out, call the team on 0800 504 505 and we will take a few details to register your interest. Then, should any cabins become available at a later date, we will get back in touch with details of how to book. Alternatively, if you're interested in cruises not yet on sale, why not make an advance registration? Call 0800 068 8731, and for a fully-refundable deposit of £90 per person, you can register your details in advance. Then, before the cruises go on general sale, we will contact you to confirm your booking.

## How our discounts work

On all cruises we set aside a number of cabins within each grade at a discounted fare, with the highest discount of 35% available on selected grades. These cabins are sold on a first come, first served basis. As cabins are sold, the discount begins to reduce, and continues to reduce, until those selected cabins are sold. This means that the earlier you book, the higher the chance of securing a greater discount. Our price panels clearly show the full cruise price, along with the current discounted fare.

**Please note:** During busy periods for holiday bookings, the early booking discount can reduce rapidly, and although the price panels are correct at the time of going to press we cannot guarantee that the discounted fares will still be available when you call to book. Our Cruise Consultants will be able to advise the best fares when you call. This brochure includes cruises which have been previously advertised at a discount, therefore the cabin availability at the offer prices may now be limited. We recommend that you book early to benefit from the best booking discounts and to secure your preferred cabin and grade. When promoting new cruises for the first time, we contact customers on our Advance Registration list first, allowing them to secure the cabin of their choice and benefit from the best savings. Our brochures are then sent out to loyalty club members first, followed by past cruise-goers and then everyone else.

## Our Price Promise

Should we ever cut our prices or bring in a new special offer later on, we'll work out the difference and pass the value of the saving back to you.

**Please note:** This applies as long as the discounted holiday is the same package offered under the same terms of sale (which means the full terms that apply to your holiday contract, including your cabin grade and whether your cabin is allocated at the time of booking or at embarkation). Optional ad-hoc services are excluded. In calculating any possible saving due, we'll take into consideration all offers and discounts that were applied at the time of booking and compare the overall price that you've been charged with the current price. For cruises, we will pass on the value of the saving in the form of a higher grade cabin, on-board credit or other value added benefit.

## Guarantees

The traditional way to book a cruise is to reserve your cabin number at the time of booking. However, if you've decided what type of cabin you want, but don't have a preference for a particular cabin or bed configuration, then our Inside/Outside Guarantees on Saga Sapphire or our Standard Balcony/ Single Standard Balcony or Single Superior Balcony Guarantees could be for you. You are guaranteed the minimum grade cabin in the category shown, just not the specific cabin. This will be allocated to you later on, sometimes as you embark the ship. If you choose not to accept your allocated cabin, which could be located anywhere on the ship, this is treated as a cancellation. There is the chance you may be upgraded, although this is subject to cabin availability and in no way forms part of this offer. Note that twin cabins may have two single beds or a double bed. To see the prices of our Guarantees, look out for the \* symbol in the price panels.

## Insurance policy

Because it's important to be adequately insured when you travel abroad, we offer optional comprehensive travel insurance, underwritten by Great Lakes Insurance SE, UK Branch, and additional cancellation rights with all our overseas holidays. If you are suffering from, or in the last 12 months have suffered from, an illness that has required treatment from a doctor, you must advise us and we'll confirm whether you can be covered under this insurance. A full summary of the optional travel insurance will be provided with your booking confirmation. Cover is available to UK residents only and subject to medical screening. Terms and conditions apply. If you have your own insurance, we will offer you the holiday at a lower price – please call for further details.

## Love it first time

Available to guests that have not previously cruised aboard Saga Rose, Saga Pearl, Saga Ruby, Quest for Adventure, Spirit of Adventure, Saga Pearl II or Saga Sapphire, and are booking their first Saga ocean cruise aboard Spirit of Discovery, Spirit of Adventure, Saga Sapphire or Saga Pearl II. We guarantee you will love your first cruise, or will refund your fare! To take advantage of the guarantee you must state your intention on board to the Hotel Director during the first 72 hours of your cruise at the latest (for cruises seven nights or over; during the first 48 hours for cruises under seven nights). They will endeavour to resolve any issues; if a solution cannot be agreed, Saga will cover costs for your return transport home at the next available port, and refund the fare that you have paid for your cruise (we will not refund any costs you have incurred for items not purchased directly through Saga, such as overnight accommodation or third-party insurance). The guarantee does not affect Saga's standard booking conditions or pre-departure cancellation policy. Further terms and conditions may apply.

## Save 10% when you book a second cruise

Why not stay on board for longer? You can make a further saving of 10% off the price of each consecutive cruise you book. This discount is off the current fare at the time of booking, after any other offers have been applied. It makes a longer voyage greater value for money. Please call for details.
